Dear Councillor,

Report to Council on the Graveyard Grant Scheme 2021 - Round 2.

Applications were received for a total of 36 graveyards under the Graveyard Grants Scheme 2021. The budget allocation is €23,000. At the June 2021 Council Meeting 19 applications were put forward.

I now enclose details of the final 17 applications evaluated and recommended for funding under the 2021 Graveyards Grant Scheme Round 2 (see attached). All grant payments will be subject to conditions and works may not commence until the applicants receive a written letter of confirmation outlining the conditions specific to each graveyard.

The amount of funding recommended for allocation under Round 2 is €7,450

Yours sincerely.

Director of Services,
Planning, Economic and Environmental Services**
